Summer-Fall, 1993 No. 17

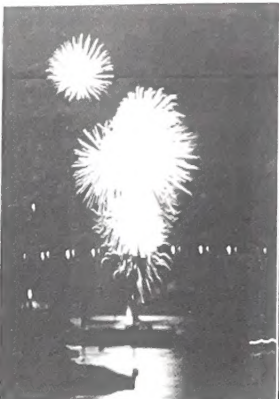

LET THE ROSE ISLAND LIGHT BE LIT!

On August 7 at 9:15 PM, history was made! With flare gun in hand and Betty Smith at her side, Noreen Drexel fired the anxiously-awaited signal to light the light and the fireworks to begin!

Thanks to the many members, friends, trusts and businesses who contributed right up to the last minute, it was Cynthia Palmer's check that hit our \$100,000 goal--with a whole five minutes to spare!

Led in a round of "Happy re-birthday" by duo Dark Horse, everyone at our New York Yacht Club party celebrated with Moët Chandon champagne and Coors LIGHT beer (but they weren't crying it)!

KEEPER'S CORNER: THE LIGHTHOUSE PERSPECTIVE

In the month or so leading up to the re-lighting of our beacon, a kind of craze took over all of us at the Foundation. Sleepless nights and frantic phone calls ran rampant. Everyone involved in this monumental task seemed to feel the pressure and the excitement build...so many things, so much to do!

When Saturday arrived, I could no longer tell night from day. As we approached evening, I thought about how all of our work was about to flow through one small bulb... for all to see. When the signal came from the New York Yacht Club, my eyes were stuck open...overloaded with pride, worry, and excitement. Flipping the switch and watching that beacon light up for the first time in over 20 years was special, yet for me the magic moment followed seconds later... all was quiet for a bit, then I heard one

small horn, and another, and yet another, until I was surrounded by sounding horns from all around the Bay... Boats, cars, horns of every sort sounded...the people were there...all around us, they were there saying "thank you." I knew then that Morgan (ol' three leg) and I were no longer alone in our lighthouse...!

A short while later, when the fireworks were finished I asked my friend Ethin, "E...how were the fireworks?" He looked at me queerly and said, "Didn't you see them? You were right next to me." I replied, "Its strange...I watched them but I didn't see them...." "Oh," he said, then added, "They were pretty cool."

That night I did not get much sleep. Nestled in the hammock under a canopy of wondrous stars I watched...like a new father I watched our new light...Blink.. 1..2..3..4..5..Blink..and for a while the world was right. *Christopher Owens, Keeper*

SEVENTH INNING STRETCH - Olin Gambrell stretches to guide one of the eight pieces of clear tempered glass, which replaces the aged lexan plastic. Using suction cups and lines, the glass was lifted by Christopher and David Dwyer.

FROM THE CHAIR

With our "Light the Light" campaign successfully completed, the Board of Directors is looking forward making the final payments for the lighthouse restoration, preparing it for winter and installing the new wind generator.

Although a total of \$102,000 was raised, some of it is still in the form of pledges which we are counting on. The last of these funds will be received in January. Like any business, the needs are always immediate, so those of you who have pledged monies please make sure that you send them in as soon as possible. Thanks.

The Board of Directors has approved an operating budget of \$53,400 for the next year, which takes us out of the restoration mode and puts us into that of being an educational resource. The lighthouse has many facets.

Our educational programs are coordinated by the Executive Director, Charlotte Johnson, and supported by the Education and Operations Committee.

Roughly 50% of the budget for the coming year will go toward salaries for our Executive Director and Keeper, Christopher Owens. Your continuing support through memberships, gifts, support of events and volunteering will be key to helping us meet our goals.

RIGHT: Chairman Ralph Weiss stands proudly by our new, modern light--Fl 6s 45ft 5M in Coast Guard lingo, listed as a private aid to navigation. Chris' friend Nate Cantwell did a great job welding the new stand. **BELOW:** Curt Bunting congratulates Chris on all his good work!

Specifically, we need volunteers to work on the following committees: Membership-Development, Education-Operations and Property. If you are interested and can spare some time regularly each month for meetings and work, please call me at 849-9181. Charlotte, Christopher and I will look forward to working with you during the coming year.

Ralph C. Weiss, Chairman

**MAY THIS
LIGHT SHINE
ETERNAL!**

The *Rose Island Lighthouse Foundation News* is published by the Rose Island Lighthouse Foundation, Charlotte Johnson, Editor. Non-profit postage PAID Newport, RI 02840.

This 501(c)(3) tax exempt foundation has restored the Rose Island lighthouse and is developing compatible, environmentally-sensitive programs in history, preservation, ecology, conservation and recreation that will enrich visitor's lives for many years to come.

Mail correspondence to: Editor, *RILF NEWS*, Box 1419, Newport, RI 02840-0997 Phone 401-847-4242. Printed with soy-base ink on recycled paper by PDQ Printing.

Officers for Fiscal Year 1993-94 and Board members for the class of 1996 were elected at our annual meeting on June 9 at the Conanicut Yacht Club as follows:

Honorary Chairman	Curtis W. Bunting
Chairman	Ralph C. Weiss
Vice-Chairman	Sidney S. Gorham III
Secretary	Annette M. DeSilva
Treasurer	Theo C. Duncan
Asst. Treasurer	Bonnie S. Bravton

Directors Class of 1996: John Leventhal and Pamela C. Wuertth. Welcome aboard!

Teacher Orientation - On weekdays this fall we'll be giving private tours to school children as part of their science, history and culture studies. Teachers are invited to attend after-school orientation sessions during the week of Sept 13. Call 847-4242 for info and reservations. ABOVE: St. Michael's kindergarten class tried it this spring and liked it a lot!

LOG OF THE ROSE ISLAND LIGHT - Mary Staley gave us this idea by contributing to "Light the Light" in honor of a friend's birthday. Now it's policy!

The LOG reads...

August 9 - the light was lit in honor of the 50th wedding anniversary of Joseph & Barbara Spotts by Florence Wilderman.

August 11 - for Emily Johnson's birthday while she was away in Greece.

August 13 - To honor the birthday of twins Hope Drury Goddard and Kate Drury.

August 17 - for Donald C. Christ's birth-day (can't say which one).

August 20 - In honor of Louise Bedingfield Collins' 90th birthday by Mary Staley.

September 5 - by Dorothy Riesmeyer for her grandchildren Page & Spencer Sutton who are the light of her life!

Entries will be made for a contribution of \$25, which will help keep the light lit.

We need volunteers to help with painting, carpentry and grounds work before winter. Call Ralph Weiss at 849-9181 to sign up for Saturday BYOB (bring-your-own-brush) work groups through October *** We also need a VHF radio at the lighthouse and Chris could use a versatile small boat and motor.
